WORM()HOLES

Sometimes I remember really weird memories. Like what? (110 aller 1/11 bribes from my worm life.

Tou were a word which one? we have ah right forgotten

THE FUCK? let me show you 3 111 11 1111111111

still white mah, that was nothingness. void. moise? Munth nihi, 11,00, bruh! I saw something! It was white ' By definition , it was I so it can't be mothing mess well, how do you expect me to represent mil in a comic ? Uh, that is not my moblem ! And wait, how can nethingness be in your memories ?? whatever. Next memory
