An incredible machine... no?

you'll have to sit behind me... can you take this bag?
God! what's IN there?
In fact, where are you taking me?
paatience

Seriously, this bag is killing me.

Whaaat?

Broomch

He's gone...

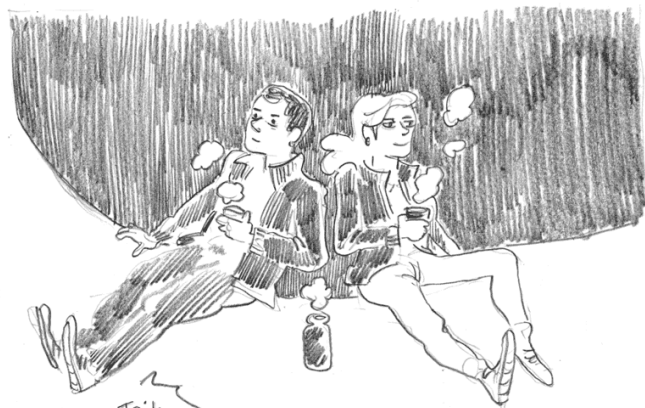

Well, all that's very exciting. But please warn me when we reach zero. Because honestly, I'm ready for liftoff.

Tadaaa!

Bozzzt

This sure isn't
your first time. What's
the fun of it? Sneaking
around where you're not
supposed to go?

Take the cellars for
instance. It's full off
Confiscated goods!

uhuh!

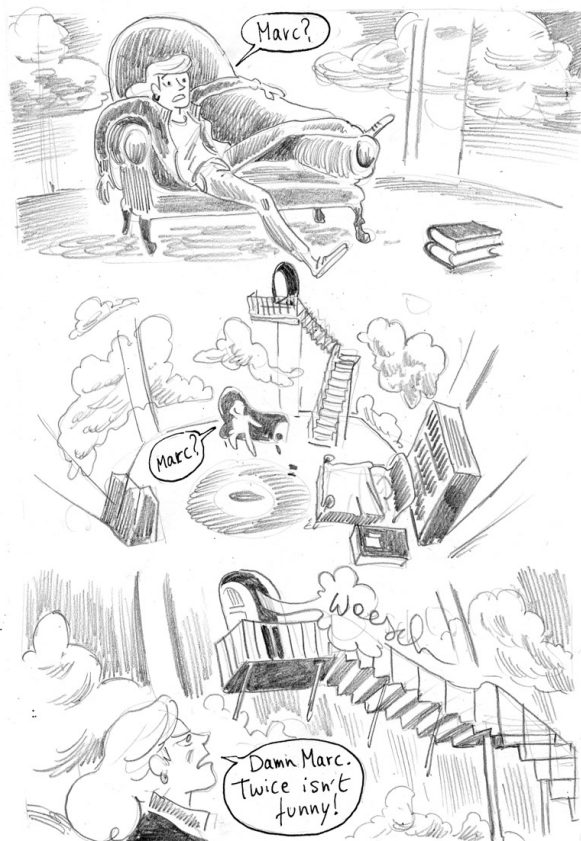

Hehe, I don't know.
It's incredible what
you can find in a place
like this.

Crazy stuff! I found
this watch in the shape
of a frog ---
It croaks on the hour.

Isn't that stealing?

But you can also go to
the officer of the magistrater,
Wair. I have a picture.

That's me, slicing a
Salami on one of the
criminal's files.

Marc?

Marc?

Wee

Damn Marc.
Twice isn't
funny!
